

RULES AND REGULATIONS FOR THE USE OF LAKES IN FAIRFIELD GLADE BOATING and FISHING HOURS – 6 AM TO 11 PM

All participants must have their membership, guest or employee identification cards with them while using Fairfield Glade facilities.

BOATING

1. For boats based in Fairfield Glade, a current FG registration sticker must be displayed on each side of the boat bow.
2. A current temporary sticker must be visibly displayed on all guest boats.
3. The State of Tennessee Wildlife Resource Agency boating and water safety rules and regulations shall apply when using FG lakes.
4. Life jackets are required to be available for each person in a boat and must be worn by all (minor) children under the age of 13 at all times.
5. Life jackets are required for all (minor) children under the age of 13 swimming outside of designated beach areas.
6. Minor children swimming in all areas of FG lakes are required to have a responsible adult in the immediate area for the safety of the (minor) child in case the child becomes distressed.
7. FG lakes have shared usage by power boats and many types of non-motorized boats, paddle boarders, and even swimmers. For the safety of others, it is **imperative** that all power boaters adhere to the “**No Wake Lake**” rule.
8. Loud music and/or loud or inappropriate language are prohibited. Remember that sound carries a long way over water.
9. Inappropriate riding in any boat, including extending limbs outside the boat, is not allowed.
10. All passengers should sit in designated seating while the boat is in motion.
11. Swimming is not allowed from a boat when the motor is running. Swimming is also not allowed off of Community Club piers, Community Club docks, or dams.
12. Littering is not tolerated on or around the lakes.
13. Boaters should maintain a safe distance from other boats and respect all right-of-ways.
14. Boaters are reminded swimmers are present in our lakes, not just in specified beach areas. It is recommended that the captain remain alert or designate someone on board to make a constant inspection of the navigated waters for obstacles including swimmers.
15. Non-powered boats have the right-of-way.
16. Residents and Visitors should stay off the lake bed when the lakes are below full basin.
17. Water-skiing or jet skiing is prohibited.
18. Do not navigate a powered craft between red buoys and the shoreline.

**RULES AND REGULATIONS
